

SOME COURSES MUST BE TAKEN IN A CERTAIN ORDER

Courses shown on the following pages must be completed in a particular order. The order is indicated from **Left to Right** as shown below:

- ✓ To enroll in a course in **ORANGE** or **BLUE** you must first pass the previous course.
- ✓ Courses in **GREEN** do not require that you pass any previous course in order to enroll.

COURSES YOU CAN TAKE AT ANY TIME

This document only lists the courses that are part of a series where you must successfully complete the previous course before you can enroll in the next course.

Any course not listed in this document may be taken at any time, and any of the **GREEN** courses shown on the following pages may also be taken at any time.
