## Peer Research

Another session on developing Communities of Practice, including the Virtual Community, will be held at the NYC Behavioral Health Peer Conference on December 1. Further work on developing the Virtual Community and support for local, regional, and statewide communities will be based on what participants indicated they most needed and wanted for further education, collaboration, and support.

**Communities of Practice for the Peer Workforce** 

Watch for more on Academy of Peer Services research, including a survey on the Sense of Community coming soon. If you would like to get involved, drop a note to <u>academy.virtual.community@gmail.com</u>.
