ACADEMY OF PEER SERVICES

FALL 2021

# Virtual Computer Basics Training

***Join us for the APS Computer Basics Skills Training Series!***

## Mondays, Wednesdays and Fridays*
## 12:00 - 1:00 PM (EST)

*Fridays are Check-in and support sessions.

**Goodwill Global Community Foundation** (GCF) provides a 3-week learning series that orients participants to:

- Computers
- Operating Systems
- Email Basics
- Internet Browsing
- Internet Safety

Peer Support Specialists can apply this training when supporting others who may be less comfortable with computer basics.

The GCF online training modules can be completed for CPS continuing education credit. Instructions for completing the GCF modules and receiving CE credit will be described.

You can register for as many sessions as you would like. This series will be repeated later in the fall. Space is limited!
